

# MONDEO<sub>F1</sub>

## Medium Green Type

- 100% Male
- Mid-earliness, strong plant, and strong flavor

### DESCRIPTION

#### PLANT

- Tall and open, with high branching
- Shows good behavior against fusarium (crown rot and root rot) in field

#### SPEARS

- Cylindrical, straight, and tight tips
- Medium diameter

#### HARVEST

- Mid-early variety
- Well suitable for green spears
- High number of spears providing a high yield potential

#### ADAPTATION

- Versatile, well adapted to continental conditions

#### RECOMMENDATION

- Avoid excessively windy field

HR: High Resistance - IR: Intermediate Resistance. The genetic resistances are not dispensed from prophylactic measures to be used as an addition. Our recommendations, suggestions, growing cycles and maturity information are only indicative and based on our own observations and our general experience. They are not contractual and they do not necessarily imply a successful harvest and/or result. The success of the cultivation also depends on factors non-related with the seed.
